Oahu College Certain of Championship

After a twelve-inning game the Oahu College team yesterday managed to defeat the Saints by a score of 4 to 3. By this victory the Punahou boys have won the championship beyond doubt, and it is theirs for sure. And well do they deserve the honor, for they have played a fine uphill game and have at all times tried to do their best, and that is the thing that counts in the long run.

Even if the Punahou boys lose their match with the Kamehameha, the final result will not be in danger as they have sufficient margin of percentage to allow of one loss and still retain the championship. The game yesterday was very exciting and the yell that went up when Hitchcock made the winning run could have been heard at Waikiki. The feature of the game outside of Hitchcock's great play, was excellent fielding of Yeitchi at left field and Lowrey at second base.

The Oahu College team made two runs in the first inning and it looked as if they were to have an easy time for sure, but the Saints came at them, and showed every promise of making a close game of it. The St. Louis boys scored their first two runs on errors, and did not make a hit in that inning. Ordenslein pitched fair ball but allowed too much free transportation; he, however, is a cool-headed twirler and kept going just the same right through the game.

Pedro, for the Saints, did well and the support accorded him by the catcher and the rest of the players was good. There was a big crowd of fans present and great was the joy when the Puns made the run that assured them of the championship. The official score and standing of the teams follow:

"Dearie" Meets O'Brien

Philadelphia, May 19.—Jack Johnson, the negro heavyweight champion of the world, and "Philadelphia" Jack O'Brien fought six rounds to a draw here.

The cable news that "Dearie" Johnson and "Confessor" Jack O'Brien have fought a draw is enough to make a man who has just lost his mouth smile. What sort of a fight will they be putting up next? Probably they shall soon be hearing that the Confessor is after a match with big Jeff.

JACK JOHNSON.
Who Boxed Six Rounds to a Draw With Philadelphia Jack O'Brien in the Quaker City Last Night.

course on the face of it Johnson must have been fighting under wraps, or else his change of making any kind of a showing against Jeff seems impossible. Who on earth would give O'Brien a chance with the big brawler, and yet here we have the spectacle of the present champion for championship honors only able to make a draw of it with a has-been like the Confessor.

Accounts of the scrap will be awaited with great interest by all the fight fans of this city, and as W. W. Naughton is not easily fooled, it will be easy to see from his write-up of the scrap how "Daddy" stacks up in the ring. Johnson was probably big fat and in little or poor condition, and besides, he was not easily fooled, it will be easy to see from his write-up of the scrap how "Daddy" stacks up in the ring. Johnson was probably big fat and in little or poor condition, and besides, he was not easily fooled, it will be easy to see from his write-up of the scrap how "Daddy" stacks up in the ring.

If the fight was not just a sparring match, then what sort of a proposition is the public up against. Ketchel was O'Brien badly, and the latter fights a draw with the world's champion; then where does Stanley come in on the championship proposition? But it is no use thinking about the matter; without a shadow of a doubt the six round so yesterday was only an exhibition scrap and can be treated as nothing else.

Handicaps For Irwin Cup Out

The regatta committee and yacht owners held a meeting last night at the Commercial Club, and a list of handicaps was made out. The measurements as turned in by Mr. Seaton were taken and adapted to the universal rule handicaps published in the year book of the New York Yacht Club. These handicaps to go for the new-style boats, the Kapelei, Gladys, Charlotte C. and Kamehameha; the old-style boats, Helene and Hawaii, to have the same handicap as the Kapelei.

The course is about thirty nautical miles in length, and the handicaps were figured on this basis, as follows:

Boat	Handicap
Kamehameha	37.49 per cent.
Charlotte C.	29.39 54 27 min.
Gladys	27.25 70 35 min.
Kapelei	23.39 110 55 min.
Helene	55 min.
Hawaii	55 min.

The Charlotte C. has a 7 per cent. allowance on her racing length for yawl rig. The Hawaii II will not enter the cup race, but will sail over the course, keeping to leeward of all yachts in the race. The start will take place at 9 o'clock on Sunday morning, first gun to be fired at 8:55.

The race promises to be a very good one and the handicaps should bring the different times of the boats very close together. The Gladys will take a lot of beating, and the craft that puts it over her should win the cup. The showing the Gladys made on the run down to Pearl Harbor some little time back, and the way she was handled, gave everybody an idea of her capabilities, and it would surprise nobody to see her romp home in Sunday's race. The Kapelei, with Mr. Renton at the tiller, also appears to have a great chance of annexing the cup.

NEWS NOTES FROM KAMEHAMEHA SCHOOLS

There was an interesting baseball game played on the Kamehameha grounds Monday afternoon between the Kam second team and the Aliolani second team. The former won easily by the score of 14 to 5. The Kam boys played a good game and kept the Aliolani team down close. The Aliolani made four runs in the fifth inning and one in the eighth. A return game will be played next Monday afternoon on the school's grounds.

The Kamehameha Cadets will be reviewed by Governor Frear some time next week at Union Square. The new caps are due on Friday from the Coast, and the cadets will wear them in the parade on Decoration day.

Baseball is lively at the Kam school. Every Monday morning different teams play against each other. Yesterday morning the fourth grade team won a close game from the Glee Club nine by the score of 7 to 5.

The Kama have changed their line-up a little and it has proved a strength to the team. Akana pitched a fine game on Monday against the High School.

The swimming tank at the Kamehameha school has just been patched up and the boys are all in swimming again.
